RE: **Request for Bids for the Construction of the Rosland Park Stormwater Filtration BMP Project**

Background/Information

During this agenda item, staff will discuss the received bids for the construction of the Rosland Park Stormwater Filtration BMP Project. Bid opening was held on Tuesday, July 20, 2021.

Recommendation

Staff will have a recommendation on which bid to accept for the managers to consider authorizing the administrator, on advice of counsel, to enter into an agreement with the selected contractor for implementation of the Rosland Park Stormwater Filtration BMP Project for an amount not to exceed a determined amount. And, to further authorize the administrator authority to approve change orders in aggregate of 10% of the contract amount and take such further action as deemed necessary to undertake the project.
