

OUTREACH: EDUCATION PROGRAM VOLUNTEER

Staff Contact

Gael Zembal, (952) 204-9691, gzembal@ninemilecreek.org

Description

Assist staff in giving presentations and programs to schools, families, and District residents

Duties and Responsibilities

- Meet with staff to discuss key messages and activities
- Assist staff in set up and take down of programs
- Provide support during program activities, as directed by staff lead
- May be asked to take pictures for District social media

Qualifications

- Have attended District volunteer training
- Must be a Master Water Steward, a Nine Mile Creek CAC member, or have other relevant experience or training
- Knowledge of District, water resources, and urban stormwater management
- Good communication skills and interest in engaging with the community, especially kids

Time Commitment and Schedule

One-time events throughout the year; variable time commitment, approximately 2-4 hours per month, depending on number of volunteers and programs.

Materials required from volunteer

- Transportation to and from program site

Materials provided by District

- Nametag
- Training
- Program materials

Benefits and Impacts

Work with diverse groups of people, including youth. Gain knowledge of district stewardship messaging and goals. Help increase district capacity to reach out to the community.
