Permit Inspection Report

Summary

This month's inspections took a close look at major linear project (SW Light Rail and Orange Bus Rapid Transit Line), and a smattering of other projects, some inspection by request and most routine.

- Number of inspections: 21
- Number of sites removed: 2
- Number of sites to remain in queue with no issues observed: 17
- Number of sites inspected but project not started: 0
- Number of sites with issues observed: 2

Inspections

Sites with Issue(s) Observed				
Permit Number	Address	Type	Summary of Results	Communication
2018-52	11001 Bren Rd E, Minnetonka	Multi-Family Housing	Front of project property has pile too tall for erosion logs as perimeter control; all else good	Inspection report sent to permit holder
2019-06	Orange Line Bus Rapid Transit (north side of 494)	Public/Linear	Perimeter control and inlet protection good; need street sweeping procedure and more robust construction sediment removal at access point on Knox Ave	Inspection report sent to permit holder

Totals

All values are estimates

Approximately 225 open permits with potential for activity

- Approximately 135 with activity
- Approximately 90 without activity
