Permit Erosion/Sediment Control Inspection Report

Summary

This month's inspections focused on Edina's Birchcrest neighborhood, SWLRT at various locations, and Lone Lake. As vegetation is likely grown in, I completed the second half of my audit inspection of the trail widths for Lone Lake Park's mountain biking trail. The inspection results can be discussed by Administrator Anhorn.

- Number of inspections: 16
- Number of sites removed from inspections: 4
- Number of sites to remain in queue with no issues observed: 2
- Number of inspections with project not started: 0
- Number of inspections with issues observed: 2
- Number of follow-up inspections: 0
