

## MEMO

**To: Nine Mile Creek Watershed District Board of Managers**

**From: Lauren Foley**

**Date: July 15, 2021**

### **Permit Erosion/Sediment Control Inspection Report**

#### ***Summary***

This month's inspections were the fourth with MS4Front. As vegetation is likely grown in, I completed half of my audit inspection of the trail widths for Lone Lake Park's mountain biking trail. The second half of the audit will be completed for the August 2021 report.

- Number of inspections: 40
- Number of sites removed from inspections/HEI: 33
- Number of sites to remain in queue with no issues observed: 4
- Number of inspections with project not started: 1
- Number of inspections with issues observed: 1
- Number of follow-up inspections: 1
