Permit Erosion/Sediment Control Inspection Report

Summary

Due to the high demand for permits, far less time was spent doing inspections this month and was replaced by administrative work.

- Number of inspections: 13
- Number of sites removed from inspections: 10
- Number of sites to remain in queue with no issues observed: 2
- Number of inspections with project not started: 1
- Number of inspections with issues observed: 1
 - Number of follow-up inspections: 1

Inspections

Sites with Issue(s) Observed				
Permit Number	Address	Type	Summary of Results	Communication
<i>See below</i>				

Follow-Up Inspections				
Permit Number	Address	Type	Summary of Results	Communication
2021-45	6012 Birchcrest Dr, Edina	SFH	Follow up from prior inspection where construction access was missing, follow up inspection shows still no construction access – although street is being kept clean	Get in touch again with permit applicant and/or contractor to get info in writing about street sweeping practices

Totals

All values are estimates

Approximately 320 open permits with potential for activity

- Approximately 195 with activity
- Approximately 125 without activity
