# MEMO

**TO:** Nine Mile Creek Board of Managers  
**FROM:** Gael Zembal  
**DATE:** November 9, 2020  
**RE:** Education & Outreach Coordinator's Report for November 2020 Board Meeting

## Program Updates

### K12 Education

Lizzy and I are working on a chloride zoom presentation for high schoolers.

### Outreach

The Jr. Watershed Explorer book has been printed, and the sticker prizes are ready for distributing. We will begin promotion of this new, socially-distanced activity this month.

The 2021 Photo Calendars are being printed and will be delivered in mid December. All Board Managers will receive a copy, as well as CAC members. More are available upon request.

## Miscellaneous

### Seed starting

Lizzy and I are working on a seed germination program out of the greenhouse lab. We collected a few species from around Discovery Point and will work to germinate them in the lab. We will document the process, as well as create program materials out of it, so that people can learn from us as we go through this process. If it is safe to do so, we will distribute plants to community members this spring; otherwise, they will be replanted onsite.

## Meetings

Multiple all-staff meetings and EO meetings to check in and track progress

- Oct 22 Train Lizzy on Wufoo software
- Oct 27 Film volunteers for We are the Watershed video
- Oct 28 discuss annual communication/photo calendar with Erica and Lizzy
- Oct 29 CAMP sample pickup
- Oct 30 Movie screening discussion with B from RPBCWD
- Nov 3 Cultural relevancy group meeting and de-brief

Nov 5           Special Board Meeting  
Nov 6-7         MN Naturalists' Association Conference

## **Volunteers**

### **Citizen Advisory Committee**

The CAC will meet on November 19 to discuss the State of the Waters event, and summarize the Water Resources Conference, which some members attended. We will also discuss ways to promote and distribute our Jr. Watershed Explorer activity booklet.
