DATE: November 9, 2021
RE: Program & Project Manager's Report for the November 2021 Board Meeting

Project Updates

Discovery Point Restoration and Maintenance

MNL continues to perform maintenance activities at Discovery Point.

UAA Studies

Lake Holiday/Wing Lake/Lake Rose

Staff is making final edits to the Lake Holiday, Wing Lake, and Lake Rose lake user survey summary. 85 responses were received. 13 responses were received from Lake Holiday, 31 responses were received from Wing Lake, and 41 responses were received from Lake Rose. A link to the survey summary will be provided in my memo next month.

Program Updates

Cost Share Grant Program

We received one grant application for our second round of restoration grants. It was administratively approved, and a summary memo is provided in the board packet. I am working on revising guidelines and applications for the March stewardship grant deadline, and I processed several reimbursement requests from grantees.
