FROM: Lauren Foley  
DATE: April 13, 2021  
RE: Permit & Water Resources Coord. Report for April 2021 Regular Board Meeting

## Summary of Activities

### Permitting and Inspections

Received approximately 25 new permit applications

Finalized four guidance documents

Began review for permits-needed for cost share grants

First full month of electronic inspections using MS4 Front

- Likely months of work remaining to remove permits from map that are already closed

### Cost Share Grants and Other

Calculated Part 2 (objective) score for each grant application

- Includes running MIDS for stormwater projects

Prepared data and presentations for grant review meetings

Grant review meetings

- CAC (residential applications)
- Board/Staff (city, business, association applications)

Environmental Quality Board listening session

Gathering groundwater and stormwater resources for City of Edina

BWSR Spring Training on grants
