MEMO

**TO: Nine Mile Creek Watershed District Board of Managers**

**FROM: Randy Anhorn**

**DATE: July 16, 2021**

**RE: NMCWD Permit #2021-71: Shady Oak Lake Outlet\_Minnetonka**

#### **Background**

Because staff is still working on its review of the above referenced permit application for the proposed Shady Oak Lake outlet, and the desire to get the engineer's review memo out to the managers in a timely manner so they can have sufficient time for their review, the permit application will be moved to the Board's August 5, 2021 workshop.

There will be no action taken on the permit application at the July 21, 2021 Board meeting.
