Permit Inspection Report

Summary

This month's inspections had a goal of removing those likely finished due to permits being issued in 2017 and 2018 before the weather favorable to building ends.

- Number of inspections: 24
- Number of sites removed: 19
- Number of sites to remain in queue with no issues observed: 4
- Number of sites inspected but project not started: 0
- Number of sites with issues observed: 1

Inspections

Sites with Issue(s) Observed				
Permit Number	Address	Type	Summary of Results	Communication
2018-10	8100 Highwood Drive, Bloomington	Multi-Family Housing	Need regular, likely daily, street sweeping, as sediment covers entire cul-de-sac bowl upon latest inspection. Permittee was informed that routine inspections will occur once within every 10-day period until improvements are made.	Inspection report sent to permit holder

Totals

All values are estimates

Approximately 215 open permits with potential for activity

- Approximately 135 with activity
- Approximately 80 without activity
