DATE: August 14, 2019

RE: Permit & Water Resources Coordinator Report

Continuing Activities

- Review and send permits as approved, including conditional and administrative approvals
- Intake and process materials from conditionally approved permits
- Progress the guidance document project, near final editing
- Tweak inspection program as new challenges and considerations emerge
- Research on ways to require or endorse the use of natural net erosion blanket

New Activities

- Work with Erica to make specific improvements to cost share grant program materials
- Final editing of guidance documents
- Higher volume of wetland reviews and site visits

Upcoming Activities

- Benchmark GIS programs and make plan to get one to use for inspections
- Participation in potential new SWLRT group of nearby cities and watersheds
- Graphic design of guidance documents
