RE: Permit & Water Resources Coordinator Report

Updates

- Created standard review template for draft cost share grant applications seeking a review
- Reviewing grant applications that come in for draft review ahead of 3/20 deadline
- 3/4 complete editing the guidance documents in Adobe InDesign
- Legal and engineering review of guidance documents' content
- Pre-permit meetings and discussions with upcoming permit applicants, including:
 - Hyland park temporary board walk
 - 4701 W 77th St, Edina
 - Walser Toyota
- Drafting options for the promotion of biodegradable netting in erosion blanket ahead of a potential regulatory change

Continuing Activities

- Inspections
- Review and issue permits as approved

Upcoming Activities

- Create necessary emergency response materials to meet OSHA requirements needed with purchase of AED
- Start online webpage and needed links for guidance documents
- Implement non-regulatory steps for promoting biodegradable netting in erosion blankets
