RE: Education & Outreach Coordinators Report for August 2019 Board Meeting

Program Updates

Education

Erica and staff from RPBCWD hosted a Project WET workshop for teachers, District volunteers, and non-formal educators.

Outreach

Megan and volunteers have taken the popup cart to many different places this summer, most recently the Bloomington, Minnetonka, and Edina Farmers Markets. Megan has also developed new activities for the popup cart, which were tested and refined this month.

Miscellaneous

Gael presented her graduate school capstone project to the Program Manager, Board President, and CAC Chair, and will submit it by the middle of August, marking the completion of her Master's Degree.

Volunteers

Gael met with two Master Water Steward candidates, one of which was onsite to look at capstone ideas. So far, 3 people have applied for the Master Water Stewards program.
