

## MEMO

**To: Nine Mile Creek Watershed District Board of Managers**

**From: Lauren Foley**

**Date: Oct 13, 2020**

### **Permit Inspection Report**

#### ***Summary***

This month's inspections had a goal of removing those likely finished due to permits being issued in 2017 and 2018 before the weather favorable to building ends.

- Number of inspections: 30
- Number of sites removed: 19
- Number of sites to remain in queue with no issues observed: 5
- Number of sites inspected but project not started: 4
- Number of sites with issues observed: 1
