RE: Consider moving the November regular board meeting to a different date

Background

As discussed at the August 16, 2018 regular Board meeting, The November Regular Board Meeting is currently scheduled for Wednesday, November 21st, the day before Thanksgiving. For this reason, we may want to move the meeting date to earlier in the week or the week before or the week after.

Please bring your calendars to the meeting so that if the board decides that we should move the date, we can find the best option.

Action

Provide direction on potentially moving the November regular Board meeting to another date.
