MEMO

TO: Nine Mile Creek Watershed District Board of Managers
FROM: Randy Anhorn
DATE: March 8, 2021
RE: 2020 Lake Cornelia Goldfish Population and Management Assessment Study Presentation

Background

As part of the February 17, 2021 Board meeting, the managers received a copy of the Lake Cornelia goldfish and carp population and inter-body movement assessment report completed by WSB.

As part of this agenda item, WSB will present the results/findings of the 2020 Lake Cornelia goldfish population and management assessment study.

Request

No action required. The presented is for informational purposes to promote discussion.
