RE: 2021 Draft Budget

Attached is the final revised budget following discussion from our August 6, 2020 budget workshop and August 19, 2020 Regular meeting.

The revised draft budget for 2021 (attached) is \$3,956,250. This represents roughly a 16.5% increase in the budget compared to the amended 2020 budget (\$3,394,000). While the draft budget in 2021 represents a modest increase, the proposed levy of \$2,600,000 represents a slight decrease from that of 2020. The difference between the proposed budget and levied amounts (\$1,356,250) are made up using reserve funds that have been assigned and unassigned in the past for specific projects and programs and have yet to be spent or assigned.

As discussed at the budget workshop, due to the decrease in the proposed levy in 2021 and an increase in the total market value within District boundaries, the levy impact on taxpayers will continue to decrease.

Staff recommends the adoption of the presented 2021 budget and levy resolutions.
