RE: Watershed-Wide Flood Risk Assessment (Atlas-14 Flood Risk and Resiliency-Phase 2) Update

### **Background/Information**

As part of this agenda item, the Barr Engineering will provide an in-depth update on phase 2 of the Watershed-Wide Flood Risk Assessment.

This will be a similar presentation that was provided to the District's technical Advisory Committee earlier in the day.

### **Request**

No action is needed, the update is for informational purposes and to promote discussion.
