# MEMO

**TO: Nine Mile Creek Watershed District Board of Managers**  
**FROM: Randy Anhorn**  
**DATE: December 30, 2020**  
**RE: BWSR CWF Grants**

## **Background**

The District recently received a Board of Water and Soil Resources (BWSR) Clean Water Fund (CWF) grant of \$750,000 for the Rosland Stormwater Filtration BMP project. In addition, the District is in line to receive watershed-based grant funding for additional goldfish management analysis on Lake Cornelia and the Lynmar Park BMP project.

## **Request**

Make motion to accept the BWSR grants and authorize the administrator, with advice from legal counsel, to enter into a grant agreement with BWSR for the grant.
