

May 31, 6:30 - 8 pm

Preparing for **OUR CHANGING CLIMATE**

You've heard that our global climate is changing, but what does that mean for Minnesota, and your local community? Join us for a presentation and discussion on local climate change impacts, and community actions to adapt.

Location: Nine Mile Creek Watershed District - 12800 Gerard Dr, Eden Prairie
RSVP (free): <https://ourchangingclimatemn.eventbrite.com>
